Dear Dr. Locke:

I am honored and pleased to accept your invitation to participate in the Thursday afternoon conferences at the Boston State Hospital on January 15, 1970. It is possible for me to join you earlier in the day. As I understand your note, it would be two presentations - quantitative EEG analysis in psychopharmacology and drug induced denial as an index of organic brain disease. The order is whichever is most suitable for you. I will be bringing 3 1/4 x 4 1/4 slides.

Thank you for your invitation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
