Dear Heinz,

It gives me great pleasure to invite you to participate in a series of resident seminars in psychopharmacology at the New York Medical College on May 31. The seminars are held at the Metropolitan Hospital (97th Street and First Avenue) in the conference room on the 15th floor at 11:00 a.m.

I am enclosing a listing of the seminar titles and we would be pleased to have you discuss "Psychological Tests and Drug Effects."

We will defray your expenses and there will be an honorarium.

I will call you before May 31. Thank you for accepting our invitation.

Sincerely yours,
