

March 20, 1964

Dr. Bernard Korol  
Geigy Pharmaceutical Company  
P. O. Box 430  
Yonkers, New York

Dear Dr. Korol:

We are pleased to appoint you to the staff of the Missouri Institute of Psychiatry, as Research Scientist (Pharmacology), effective on or about September 1, 1964, at an initial salary of \$16,000 per annum. This appointment is subject to the regulations of the Division of Mental Diseases.

*An Associate?*

Appointments at this level to the Institute staff are eligible for perquisites which may from time to time be made available by the Psychiatric Research Foundation of Missouri. At the present time these include membership fees, not to exceed \$100 per annum; support for attendance at national meetings, at the discretion of the Director of the Institute - the Foundation also makes allowances for retirement benefits with the Teachers Insurance and Annuity Association. Eligibility is determined by the Foundation at its annual meetings, which are held each October.

It will be a great pleasure to have you join the staff of the Institute, and we look forward to a happy association.

We are enclosing an application which requires your signature. I would appreciate its prompt return.

Sincerely yours,

Max Fink, M.D.  
Director
