Dear Joe,

Thank you very much for your letter of April 25. The grant-in-aid in the amount of \$400.00 will permit us to send Dr. Simeon to the meeting of the American Therapeutic Society. It would be least involved if you could request a check payable directly to Dr. Jovan Simeon.

We have completed the data requested by you for the FDA on the cyclazocine patients in the depression study and are in the process of completing the narcotic addiction group. Both should be available within the next fortnight.

Thank you for your assistance.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
