Mrs. Edith M. Wright
Clinical Associate
Medical Services Department
Smith Kline & French Laboratories
1500 Spring Garden Street
Philadelphia 1, Pennsylvania

Dear Mrs. Wright:

Thank you very much for the list of references and the review of the literature on the effect of 'Thorazine' in cases of depression. I have found the review and especially a few of the articles helpful.

Again my thanks.

Sincerely yours,

Max Fink, M.D.
Director
