Mr. John J. Bellizzi, Director
Bureau of Narcotic Control
855 Central Avenue
Albany, New York 12206

Dear Mr. Bellizzi:

Enclosed is a copy of our Federal Tax Stamp, Class 5 - marijuana and 4 and 5 narcotics. The suggestion in your letter of June 21, that we apply for a class 6 (marijuana) does not apply to us since we are not millers.

I trust that these registration stamps are sufficient to comply with the regulations.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
