Dr. Michael C. Barry
Medical Department
White Laboratories, Inc.
Kenilworth, New Jersey 07033

Dear Dr. Barry:

Enclosed is a proposed Statement of Investigator Form (FD 1572) for the high dose fluphenazine study. In addition, I am enclosing copies of the report presented at the CINP and a summary of the proceedings of another related conference in Sitges, Spain.

Please edit these and the proposed project to your satisfaction. I look forward to hearing from you.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
