Dear Dick,

I do not recall whether we ordered reprints of the report from *Comprehensive Psychiatry*. If you have some, I would appreciate ten copies.

Enclosed is a reprint request sent by one of my friends. I am also enclosing a request from Joe Zubin for the other paper - I also lack reprints of this one and if you have any I would appreciate 10 copies.

Many thanks.

My best regards,

Sincerely yours,

Max Fink, M.D.
