

F. Letter

March 4, 1978

Dr. Karen Allen  
Texas Tech University  
El Paso, Texas

Dear Karen,

It was kind of you to send me the pictures of the participants at the ECT session. It reminded me of a very pleasant occasion and I do hope we can meet in Atlanta.

The Task Force has completed its work and the report will be submitted to the Trustees of the APA shortly. It should be debated at the meeting in May and perhaps it will be out in the Fall. There has been a brouhaha about the recommendation that unilateral ECT is to be preferred as effective and safer. Otherwise the critics have been kind.

My regards to Michael.

Sincerely yours,

Max Fink, M.D.
