Dear Leo:

Enclosed is a letter addressed to you at this office. It is an invitation from the Membership Committee for you to apply for membership.

I would be pleased to propose you for membership, if you were interested, subject to one limitation. Would you please send me a single page abstract of the report which you are planning to present to the Society on Saturday morning, May 1? I know that you are in the middle of moving, but it would be most helpful if I could have an outline of your presentation so that I can communicate with each of the other participants.

Best regards,

Max Fink, M.D.
Professor of Psychiatry
