January 24th, 1973

Mrs. Barbara Traynor,  
55 W. 70th Street,  
New York, N.Y. 10023.

Dear Barbara,

Enclosed is a copy of the IBM memorandum dated December 15th, 1972 regarding an updating of our MPX. I would be grateful if you would check this through and call me at your convenience at (516) 444-2447 with your advice whether we should update now, wait, update to level 2, or do nothing. If your recommendation is to update, can you help me?

I have asked Ira to check with our C.E. regarding performance of level 3 and level 2.

My best regards.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
