Dr. William Landau
Department of Neurology
Washington University School of Medicine
600 S. Kingshighway
St. Louis, Missouri

Dear Bill:

I should like to recommend Dr. Turan Itil, Principal Research Scientist (EEG) in our research center, for membership in the St. Louis Society of Neurological Sciences.

I am taking the liberty of enclosing a copy of his curriculum vita and hope your committee will consider this nomination at its next meeting.

Sincerely yours,

Max Pink, M. D.
Director
