Dr. R. Bruce Sloane
Temple University
Health Sciences Center
Department of Psychiatry
Philadelphia, Pennsylvania 19140

Dear Bruce,

I would like to send you a copy of the SBP report, but it is still in preparation. For the meanwhile, you may wish to read the enclosed preprints of our recent studies of unilateral ECT and a progress report of the IMECT.

The SBP report will be ready by May 1 and I will send you a copy when it is completed.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
