

September 29, 1966

Dr. Paul Rajotte
Hopital Saint Charles
Joliette, Quebec
Canada

Dear Paul,

I very much enjoyed talking to you in Madrid, and since returning to New York have been able to review the opportunities and the study programs at this College.

I would, indeed, be interested in reviewing your curriculum vitae and in arranging for you to visit New York at your earliest convenience.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
