Dr. Arthur W. Epstein
1430 Tulane Avenue
New Orleans 12, Louisiana

Dear Arthur,

I find that I will not be able to attend the American Psychiatric Association meetings, and I am listed as Chairman of the session on biological psychiatry. As co-chairman will you accept the responsibility for the session?

If you find that you are unable to be at the meeting, would you please arrange with Dr. Rothrock to be chairman?

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
