

March 23, 1967

Dr. Daniel Silverman
269 South 19th Street
Philadelphia 3, Pennsylvania

Dear Dan,

Surely, the problem is of sufficient general interest to warrant repetition. I can do my best to present the material as presented in Denver. If the other participants would be willing to give you a projected date for the manuscripts, I will tell you what my own schedule is and do my best to meet a common date.

My best wishes.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
