Dr. Craig D. Burrell  
Medical Services Director  
Sandoz Pharmaceuticals  
Hanover, New Jersey 07936

Dear Dr. Burrell:

Enclosed is a statement from Dr. Robert Paine in the amount of \$371.00 for the EKG analyses which he supplied in our thioridazine study.

I am taking the liberty of enclosing a draft copy of the first report of the results of this study. This material was presented in Washington at the CINP and will be submitted to the Program Chairman for publication in their proceedings.

Incidentally, I read with some distress the report concerning the withdrawal of your IND for LSD. This is but another hallmark of the impediments which make clinical research so difficult.

Thank you very much for your cooperation.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry

P.S. I have just received the Wendko's additional reports. Thank you.
