Dear Dr. Caille:

We had hoped to be able to attend your meeting, but find that our funds for international travel are frozen. I am saddened by the thought that we are unable to participate in your fine meeting and can only ask that if funds can be made available from your organization we would be pleased to send Dr. Shapiro or myself to present the work of this laboratory.

It was kind of you to invite us and I trust that your organizing committee may be able to assist us in this participation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
