Dear Gerry:

Enclosed is a U.S. import permit #3252 for the official transfer of 1 gm. of Etorphine. I would appreciate your sending copies of the available reports on the human use of Etorphine, and as much of Etorphine as you can make available.

I have just returned from Europe and will be attending the meetings in Washington on narcotic antagonists on September 9.

Many thanks for your cooperation.

Sincerely yours,

Max Fink, M.D.
