Gentlemen:

Enclosed are the corrected proofs of our announcement. In addition to the small corrections indicated, it is our impression that the title of the Association, the location of the meeting and the date might be made up in a bolder type. The comment "Pleasant Post" should be re-set in a less bold type. In all of the respects the text and the stock sampled are satisfactory.

We will need 500 copies.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
