Dear Bertl & Bronia,

The first two pages of the translation of the Stringaris volume on Hashish are excellent ! If you can do as well with the rest, I believe it will be a major contribution to the literature on hashish.

I have two suggestions:

Double space the text, and use slightly wider margins on both sides. I will send you another ream of paper.

Please arrange to purchase the appropriate dictionaries that you will find necessary, and send me a statement for reimbursement.

Many thanks.

Sincerely,
