Dear Dr. Boyer:

Thank you for your letter of April 8, inviting me to visit you at the APA. I regret that I will not be attending the APA meetings since I have a prior commitment outside the country. I will be at the Society for Biological Psychiatry meetings and will be pleased to meet with you on Saturday. I will be at the Hilton Plaza Hotel.

We have begun our open EEG study this week and we hope to have some data by the end of the month.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
