Dear Mr. Saratella:

I am sending you seven books of computer data to be photocopied and bound. As you described, they are each to be bound on the top edge, like the data book. As I need different numbers of copies for each book, please note:

4 Drug Study Regression Analysis - 5 copies

Thiothixene Prolonged Studies - 3 copies

Thiothixene Study Regression Analysis - 3 copies

S - 4 mg - 2 copies

Placebo - 5 copies

PCP 250 mg - 3 copies

GP - 75 mg - 2 copies

I would like to have these picked up Friday afternoon if at all possible.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
