

October 30, 1970

Dr. Lester S. King
American Medical Association
535 N. Dearborn Street
Chicago, Illinois 60610

Dear Dr. King:

We are resubmitting our revised draft of "Naloxone Treatment of Opiate Dependence: A Progress Report", for your consideration for the J.A.M.A. Your suggestions were excellent, and we have adopted each one.

Again, our thanks for your consideration.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
