Dr. Georg J. Foglar  
F. Hoffmann-LaRoche & Co.  
Basel, Switzerland

Dear Dr. Foglar:

It was kind of you to discuss the forthcoming special Hoffmann-LaRoche publication with me in Madrid.

Unfortunately, I did not have an opportunity to see you on Thursday or Friday, so I am taking the liberty of sending you a copy of our presentation in the computer program. If this interests you for republication as part of the Proceedings of the World Congress, I am sure that my associates and I will be pleased to have it appear. If so, we will send you the necessary prints.

My best regards.

Sincerely yours,

Max Fink, M.D.
