

July 22, 1971

Dr. Jonathan O. Cole
Managing Editor
Psychopharmacologia

Dear Jon,

With reference to manuscript A-785, 'EEG Profiles of Fenfluramine, Amobarbital and Dextroamphetamine in Normal Volunteers', I would suggest the following key words:

EEG, Quantitative
Fenfluramine
Drug Classification
Volunteers
Amobarbital
Dextroamphetamine

My thanks for your consideration of this report.

Sincerely yours,

Max Fink, M.D.
