Dear Jonathan,

Thank you very much for your favorable consideration of the depression - cyclazocine study. Allen's letter was most helpful and I did contact three of the four investigators. I found that the vacation schedules were so varied that no session was possible before early September. I have notified Dr. Bird and would like to wait until after Labor Day to contact you and the other investigators again to see if a more suitable date can be arranged.

I hope the transition to Boston goes easily.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
