Dr. William L. Simpson
Detroit Institute of Cancer Research
Division of the Michigan Cancer Foundation
4811 John R Street
Detroit, Michigan 48201

Dear Dr. Simpson:

We are planning a schedule of meetings for the fall and it would be helpful to have the specific dates of the next meeting of the AIRI. Your letter of May 23 indicated that it would be held in New Orleans in October and we would like to send a participant.

Sincerely yours,

Max Fink, M.D.
Executive Director
