

DEPARTMENT OF EXPERIMENTAL PSYCHIATRY

May 8, 1962

Dr. Daniel Silverman
269 South 19th St.
Philadelphia 3, Pa.

Dear Dan:

I would have been pleased to serve on the Eastern EEG Audit Committee this year, but as my plans are rapidly changing, it is unlikely that I will be in New York on an extended basis by that time, and could not meet with the other members conveniently. I should be glad to serve the Society in another capacity, however, if you wish.

Sincerely yours,

MF:gp

Max Fink, M.D.
