Dear Gene,

Thank you very much for your help in setting up the EEG laboratory. Everything is running very well this week and I am delighted.

Your bill was quite modest and I am most grateful. I have filed it and you should be paid very shortly.

Incidentally, if you still have the receipt for the airline ticket, it would be useful for our records if you could send that to me.

Again, my thanks.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
