Dear Eli:

In checking the third year clerkship teaching assignments, I note that I have been scheduled for the period December 6, 1965 to January 28, 1966.

I find that I will be attending meetings of the American College of Neuro-Psychopharmacology during the week of December 13, and so will miss the sessions December 13, 15 and 17. I would be grateful if your secretary would arrange for a replacement during those three sessions and I would be glad to accept the responsibility to make rounds at another period in substitution.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
