Dear Joe,

Thank you for the APPA program. It looks good.

On the cover page for the printed program, please change the registration fee for non-members to three dollars.

For the Dutch Trast Cocktail party, is it necessary to indicate that 'canapes, courtesy of the association' ? I would delete it.

The designation for one lecturer as Prof. Dr. is inconsistent with the other titles. After all, there are a few Professors on the program, and it is more democratic and less obeisant to designate Dr. Hippius in the same way as Greenblatt, Elkes, Eisenberg, Kety, etc.

Finally, the summary I sent you was too long. I sent a second, and even this may be too long. Please use the second or edit it further.

My best regards.

Sincerely yours,

Max Fink, M.D.
