Mr. Norris F. Steenberger
Personnel Division
100 E. Capitol Ave.
Jefferson City, Missouri

Dear Mr. Steenberger:

We have interviewed a number of candidates for a position of medical technologist at the Missouri Institute of Psychiatry and believe that this candidate, Miss Anita Louise Henry, is the most qualified. I would be grateful for your review of her application and should like to know if her name is entered on the list for this position.

The laboratories are now being established at the Institute and separately, we are submitting a MOPD 15 for such a position.

Sincerely yours,

Max Fink, M. D.
Director
