Dear Warren:

I have your letter of May 6, outlining the schedule for my visit on May 19, and it will be agreeable to me as far as my time permits. The airline schedules have changed since my last letter.

I will be arriving on Eastern Flight 416 at 8:30 a.m., and will take a cab to the V. A. Hospital. I will be returning to St. Louis on Flight 403, which leaves Louisville at 6:55 p.m. - which would cut short the last item on your schedule. However, I would be happy to participate insofar as my time allows.

Best regards,

Sincerely yours,

Max Fink, M. D.  
Director
