

*F. Letters*

December 12, 1977

To: Antal Herskovitz

From: Max Fink, M. D.  
Department of Psychiatry

Subject: Eugene McDermott

I have been a user of the Media Services for the past year. In this time, I have been pleased with the variety and quality of the services available. Mr. McDermott has always been courteous and reliable in his service, and the quality of the work has been most satisfactory. I commend him, and his co-workers for their efforts, and trust that their services will continue to be available.
