Dear Charlie,

A copy of the list of members nominated for the APPA as distributed at the meeting is attached. To the extent possible, would you please have your secretary give us the addresses of these candidates? Would you formulate an appropriate letter or would you trust us to do so?

If we have the addresses and the proposed letter, we will be glad to send out the invitations.

My best regards.

Sincerely yours,

Max Fink, M.D.  
Secretary
