Dear Earl,

We have been requested by an assistant of Dr. Stanley Yolles, Director of the National Institute of Mental Health, to make available any visual material concerning our research for a presentation to the White House. I would be grateful if you could make available copies of the naloxone and marijuana reports, both of which I consider excellent representations of our work.

I am most grateful ~~for~~ your cooperation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
