Mr. O. ter Haar
Sales Manager
Elsevier Publishing Company
P. O. Box 211
Amsterdam, The Netherlands

Dear Mr. Haar:

I have just received the September issue of *Elsevier News* and am embarrassed by the description of the Volume 28 of *Progress in Brain Research*, "Anticholinergic Drugs."

The two paragraphs of description, written by myself, appeared too pedantic and remarkably unclear. Attached is a somewhat simpler version and perhaps may meet a better test of clarity.

I trust this is helpful.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
