Dear Bob,

There is an error in the June 3 issue of Psychiatric News (page 24) which embarrasses me, and I am writing to ask that a correction be published. The story on GP's education is captioned "Physicians" and near the end of the article states: "The discussant of these two papers--Max Fink, M.D. of the State University of New York at Stony Brook-- took exceptions ..." I did not discuss these presentations, and was not present at that session. I have no public opinions on the matters quoted.

Perhaps the reporter meant my namesake, Paul Fink of Philadelphia. Could your executive editor check the original story and publish a correction ?

Many thanks.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
