Dear James:

Happy New Year! I would be pleased if you would accept the enclosed check for your many services during the past few months on behalf of the Missouri Institute of Psychiatry. It has been a good year, and with the help of many friends, the Institute is now operational. Last year at this time, there were four members of the staff, including myself. Today, there are three senior scientists, four associates, and a research staff of twenty. On the wards, we have a compliment 68. It has been an exciting beginning, and for your help, my thanks.

My best regards.

Sincerely yours,

Max Fink, M. D.
Director
