

December 22, 1966

Dr. Turan M. Itil
Missouri Institute of Psychiatry
5400 Arsenal Street
St. Louis, Missouri 63139

Dear Turan,

Enclosed is the galley of the laboratory test paper. Would you and Mike please go over it and make such additional corrections as may be necessary.

Please ask Mike specifically to check Table II for the text references.

I would like 200 reprints with covers and would suggest that you order 500 and charge me with any portion or all of it.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
