Dear Dr. Castellanos:

In the same mail with your letter, I received the kind invitation of Dr. Velasco-Suarez to participate in the symposium in December.

I thank you for your recommendation and I look forward to participating in, what appears to be, a most interesting program. A copy of my letter to Dr. Velasco-Suarez is enclosed.

It would be most exciting to prepare a symposium on EEG and psychiatry during the Vth World Congress in 1971.

I look forward to hearing from Dr. de la Fuente and will work with you in preparing as fine a program as we can manage for 1971.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
