Montefiore Hospital  
Bainbridge & Gun Hill Roads  
Bronx, New York

Dear Bob:

I was so pleased with the results of the Tri-Hospital paper, and stimulated by my review of the EST Program, that I pulled out this old report and have had it re-typed. Would you read it with your 1965 eyes and see if it is worthwhile to submit to one of the psychiatric journals?

I do not know if this letter will reach you in New York or in Chicago. I hope you will be happy in your new position and I look forward to visiting with you the next time I have reason to be in Chicago.

My best regards.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
