Dear Dr. Silvio:

Enclosed is a quarterly report of activities under Contract No. HSM-42-73-260 for the period July 1, 1973, to October 31, 1973.

We have obtained an IND for naltrexone (No. 10095) and have written to Dr. Ramsey requesting an initial supply of naltrexone of approximately 1.5 grams, which will allow us to treat five patients for 30 days at an average dose of 100 mg per day.

On October 15, we requested permission to transfer the sum of \$475 from U.S. Travel to Foreign Travel under this contract to permit our representation at the NRC-NAS Committee on Problems of Drug Dependence meeting at Mexico City, March 11-14, 1974. I had written to Dr. Ramsey about this prior to your appointment as Project Officer. I would be grateful if you would process this request.

I look forward to meeting you.

Sincerely yours,

Max Fink, M.D.
