Dear Bill:

Thank you for your letter. Both Dr. Itil and I were most interested in your comments regarding droperidol. He has been carrying out studies with phencyclidine (Sernyl) and your comment that droperidol was used in surgical procedures interests us very much. Can you advise me whether Dome Chemicals produces this? If so, we would be pleased to receive copies of any descriptive literature which may be available.

Many thanks.

Sincerely yours,

Max Fink, M.D.
