Dear Dr. Grinker:

I am writing to request permission to republish a figure from one of my reports which appeared in the *Archives of General Psychiatry*. I would like to include this figure in a summary of our experiences with depot fluphenazine which will appear in a volume entitled "Changing Patterns in Psychiatric Care", edited by T. Rothman of Los Angeles.

May we have permission to republish the figure from the article "Long-Acting Phenothiazine (Fluphenazine Decanoate) Treatment of Psychosis" which appeared in Vol. 18, page 479?

Thank you for your cooperation.

Sincerely yours,

Max Fink
