Dear Don,

Enclosed is a copy of a letter I have received from Dean Clyde. I have no other details regarding the program but assume that this might be a work session. Perhaps, it would be helpful for us to consider participating as he will probably bring together most of the people whose work you should know.

Will you be available? If so, should we make any statement regarding the programs available or simply indicate that the majority have been prepared in our summary of last year?

My best regards.

Sincerely yours,

Max Fink, M.D.
