Dr. John C. Kramer
The Langner Clinic
2807 San Mateo, N. E.
Albuquerque, New Mexico

Dear John:

I am sorry I missed you in California, but I met your father and step-mother, and they both look well and spoke most affectionately of you.

Enclosed is the penultimate of the depression report, which I have sent out to members of the Clinical Committee for their consideration. Unless I hear otherwise, I will submit this to one of the major journals within the next few weeks.

Best regards.

Sincerely yours,

Max Fink, M.D.
Director
