Dear Dr. Remarque:

I received Volume 28 of Progress in Brain Research and wish to compliment you on an excellent technical production.

It would be most useful for you to send the remaining complimentary copies of the volume to my office at the New York Medical College, 5 East 102nd Street, New York, New York 10029.

May I inquire as to the policy as to the publishers with regard to each of the contributors? I do not recall the contract. If the contributors are not to receive a copy of the publication then I would like to send each of them a copy. Would you be kind enough to tell me what the price for additional copies are to the editors?

It has been a pleasure to work with Elsevier.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
