Dear Mr. Smith:

With regard to your letter of March 11, 1966, requesting information concerning the final report of expenditures in Grant RLOMH007249-03 and -03S1, please be notified that the final report has been filed and a revised expended grant authorization adjustment notice received. A copy of the letter is enclosed. In that authorization, the sum of \$150.98 was requested to be withdrawn, and the Foundation has already returned this amount to the D.H.E.W. earlier this month.

I trust that this will clarify your records.

Sincerely yours,

Max Fink, M.D.
